Incident#: CR15-1364

Pedestrians Struck By Vehicle at Wolfe Road and Fair Oaks Avenue

SUNNYVALE, Calif. - On 2/22/2015 at 1353 hours, Sunnyvale Department of Public Safety (DPS) responded to the intersection of Wolfe Road and Fair Oaks Avenue. Upon arrival, officers located two female pedestrians who had been struck by a silver Ford Focus. One victim, a 56 year old San Francisco resident was declared deceased at the scene. Her 21 year old daughter and Sunnyvale resident was transported to Stanford Hospital in critical condition.

The vehicle was traveling northbound on Fair Oaks Avenue when it struck the two women who were standing on the pedestrian island crossing between Wolfe Road and Fair Oaks Avenue. The vehicle stopped on the grass of Fair Oaks Park approximately 60 feet from the pedestrian island crossing. The driver remained at the scene and cooperated fully with law enforcement. The female driver, a 32 year old Sunnyvale resident, was not arrested and drugs/alcohol do not appear to be a factor.

The victims were walking with a dog which was located uninjured nearby. There are no indications the dog played a factor in the collision.

The Sunnyvale Major Accident Investigation Team (MAIT) continues to investigate the incident. Anyone with information related to the collision investigation is asked to contact Officer Steve Cronin at (408)730-7109.
